BFI AIRPORT ADVISORY

DATE: September 27, 2012

TO: King County International Airport Tenants
Distributed by e-mail

FROM: Robert I. Burke, AAE, Airport Director

SUBJECT: **Thermoplastic Sign Installation
October 1-5, 2012**

Upgrading of our existing airport markings with thermoplastic signs has commenced and will continue through next week. These marking include: Runway Hold Position Markings, Surface Painted Runway Hold Position Signs, and Enhanced Taxiway Centerline Markings.

Work is scheduled Monday, October 1 through Friday, October 5, 2012 from 0700L through 1700L daily.

NOTAMS will be issued for temporary closures, and alternate taxi routes will be available. As a reminder, aircraft operators should use caution for personnel and equipment in these areas during the referenced period. **Throughout this period main Runway 13R/31L and utility Runway 13L/31R will remain fully operational.**

Please contact Airport Operations at 206-296-7334 should you have any questions.
